

24 April 1973

MEMORANDUM FOR: Mr. John M. Maury,
CIA Legislative Counsel

SUBJECT : Briefing a Staff Member of the
Senate Foreign Relations Committee

1. Mr. Lowenstein of the Senate Foreign Relations Staff has expressed interest in talking to me concerning the insurgency in Cambodia. He said that he intends to ask you to set up an appointment.

2. I informed Mr. Lowenstein of my willingness to cooperate, and that I had written extensively on the subject of the KC rebels.

3. I also told him of the peculiar status of my employment at the Agency -- that is, that on 19 March 1973, I was informed that I was "excess," and that I would receive a written notification in "a couple of days." No such notification has arrived, however, and I do not know where I stand. The CIA Chief of Personnel, Mr. Fisher, is aware of the problem if you need filling in.

4. I would appreciate it if you would inform me when Mr. Lowenstein contacts you, and also what you intend to do. Thank you in advance for your kind consideration in this matter.

Respectfully,
